

IEEE - Jobsite

¿Qué es el JobSite?

- Uno de los objetivos fundamentales del **IEEE** es **facilitar, y poner a disposición, las mejores** oportunidades de trabajo a todos los miembros del IEEE, y especialmente a los recientemente graduados.
- Para ello el IEEE ha dispuesto un Job Site en Internet donde los miembros de Latinoamérica pueden colocar su curriculum vitae (CV).
- Este es un servicio totalmente **gratuito y sólo podrán postular los miembros activos del IEEE.**

IEEE

Misión

- Facilitar a los miembros la incorporación o reinserción al mundo laboral.
- Poner a disposición de las empresas que lo necesiten, candidatos con los principios y ética del IEEE.

Beneficios

El IEEE, a través del servicio de Bolsa de Trabajo, proporcionará a las empresas opciones de profesionales miembros del IEEE.

Los miembros de Latinoamérica se benefician de dos maneras:

- Al tener en un “lugar” varias opciones de trabajo publicadas por diversas empresas.
- Al poder promocionarse, colocando su curriculum vitae disponible para entrevistas de trabajo con aquellas empresas que tienen acceso al Job Site.

¿Cómo funciona?

MIEMBROS

- Para formar parte de la Bolsa de Trabajo, se debe dar de alta el CV en la página Web de Bolsa de Trabajo (<http://careers.ieee.org/>, sección Bolsa de Trabajo), y mantenerlo actualizado, mínimo cada 6 meses.

EMPRESAS

- Será la propia empresa la que realice el proceso de selección, por tanto desde la empresa se pondrán directamente en contacto con los candidatos.
